

BEEHIVE HOMES OF EXCELSIOR

Fee Determination

***One-Time Fees**

Wait-List Deposit (refundable): \$1000

Service Admission Fee: \$1500

A one-time fee for costs related to admission such as medication review, pharmacy set-up, care plan creation with input from family, physicians and other related health professionals.

***Monthly Recurring Fees**

There are two elements that go into the total monthly fee. See below:

RENT:

Private Suite - \$3825/month

Semi-Private Suite - \$3325/month

Executive Private Suite (limited availability) - \$4825

CARE PACKAGES:

Before a resident moves in to BeeHive, our Director of Nursing will do an assessment of the residents' care needs. From this assessment, a care level package (A, B, C, D, E) will be assigned based upon the needs of each individual resident.

- Care Package A \$2510/month
- Care Package B \$3170/month
- Care Package C \$3830/month
- Care Package D \$4490/month
- Care Package E \$5150/month

Example: \$3825 (rent) + \$3170 (Care Package B) = \$6995/month

BeeHive has an all-inclusive pricing model so families are aware of the pricing upfront with no hidden costs or expenses.
